When one is first widowed, she feels like no one has ever felt such grief before and no one will understand. Being in the company of others who are willing to share their stories of loss and eventual hope is a step toward becoming whole again. On these retreats, we share our stories through prayer, ritual and creative activities. You are welcome if you are returning or if you are recently widowed\*.

\*It is encouraged to wait at least 6 months after the death of your spouse before attending this retreat.
