## A Retreat on Spirituality & Aging May 9 – 11, 2023

This mid-week retreat, for women and men over 55 years, will address the mystery of aging as God's desire for the fulfillment of our lives and our spiritual development. We will reflect on spiritual insights into the aging process as growth towards becoming our authentic selves. Aging is not failure but a process of "growth and diminishment" with God working on our wisdom and creating us as we truly need to be. This retreat will consist of input, quiet time, prayer and rituals, small group sharing and daily Eucharist.
